Hillcrest Slough shelter house used; nearly done

The Izaak Walton League nature shelter on Prospect Heights' Hillcrest Slough is being used almost daily, even though the final few boards have yet to be put in place.

Final touches on the all-volunteer project will be completed by the 3 p.m. July 13 dedication of the shelter, just east of Elmhurst Road about three blocks north of Camp McDonald Road. The center has been built on property owned by the Prospect Heights Park District and will be turned over to the park district for maintenance and control.

The 20-by-30 foot shelter, which took two years to complete, has two fireplaces and picnic areas. The slough itself will be preserved as a nature refuge, if the park district is successful in its efforts to obtain ownership of the slough. One condemnation suit has been instituted for half the slough and

a second suit will follow for the other half.

THE PUBLIC is invited to the dedication ceremony which will include both league and park district officials, including Park Board Pres. Max Lyle and Izaak Walton League Pres. Richard Schuld.

Individuals, businesses and civic groups who contributed time, money or muscle to the project also have been invited. Among the civic groups which contributed were the Mount Prospect Lions Club, Prospect Heights Lions Club, Potawatomi District Camp Fire Girls, Mount Prospect Professional Business Woman's Club, Wheeling Township Kiwanis Club, Prospect Heights Boy Scout Troop 282, E-Hart Girls of Mount Prospect, Mount Prospect Garden Club, Prospect Heights Improvement Assn. and Buffalo Grove Key Club.
